Note

The Correspondence submitted by the Senior Surgeon with his letter No 5300 of the 14th May 1902, relates to the proposed establishment of a Female Dispy at Jerikere in the Kadur Distt. The proposal was placed before the Board of Jerikere at its meeting held on the 15th Decr 1901, and passed. Accordingly the President in his Docket No 11108 the 30th Jany last has requested the Senior Surgeon to obtain the sanction of Govt on the subject.

2. In forwarding the above Correspondence the Senior Surgeon states that the question of opening a Female Dispensary

Dispensary at Saukere
may be considered
when the services of
a female Hospital
Aplt are procured,
and requests that
sanction may be
accorded
(1) for the entertain-
ment of as a 2nd
class Hospital Aplt (on Rs 40 + 10) -
of one Mrs J. Lazarus
a native Christian
at present holding
the place of Hospital
Aplt in the Mangalore
Municipality, and
(2) for the establish-
ment of a female
Dispy at Chickabulk-
pur in the Kolar
Distt to which Mrs J.
Lazarus will be
posted on appointment.
3. The Senior Surgeon
invites reference to his
letter No 1130 of 23-9-98
in which he reported
that no land was
available,

Dispensary at Jaulkere may be considered when the services of a Female Hospital Asst are procured, and requests that sanction may be accorded

(1) for the entertainment of as a 2nd class Hospital Asst of one Mrs J. LaZarus a native Christian at present holding the place of Hospital Asst in the Mangalore Municipality and (Rs 40+10)

(2) for the establishment of a Female Despy at Chickabulk pur in the Kolar Distt to which Mrs J. LaZarus will be posted on appointment.

3. The Senior Surgeon invites reference to his letter No 1130 of 23-9-98 in which he reported that no hand was available

available to open a separate female Dispy. at Chickballapur. That letter was recorded in Govt. Proc. No 4767-68 & 737-97 of the 6th October, 1898.

4. The question of opening a female Dispy: at Chickaballapur being one for the L.F. Branch Dept to deal with, the Senior Surgeon's letter of the 14th May, 1902, with the reference file is transferred to that Branch Dept for the needful. With the request that information as to how the question of funds, and the adjustment of the cost of the dispensary if established, may be furnished.

As Mrs Lazarus makes no mention about her past services, it may be presumed that she doesn't require a transfer

If the Local Funds are to contribute

Replies to the queries of the Dewan on office draft to the Residency in re- the taking of one Mrs J. Lazarus, Hospital Assistant now in the Mangalore municipality, to the Mysore Service as Hospital Assistant 2nd Grade

8 20-10-1902

If the Local Funds are to contribute to the pay, should not the Board be consulted.

Is it meant that the pay of the Hospital Assistant will be paid by the Municipality and Local Funds?

7 The pay of Hospital Assistants in charge of Local Fund Dispensaries to meet from the Medical Budget. Their charge allowances, pay of the other establishments Contingencies cost of furniture etc are borne by the Municipal and District Funds in the proportion of 1/3rd and 2/3rds respectively, except when any municipality is by a special order of Government is relieved of its portion of the cost, in which case the above charges and the cost of feeding and clothing of in patients in all L. F. dispensaries are borne entirely

entirely by District Funds
A Female dispensary at
Chikballapur is a long felt
want, and the Municipal
Board of that place have
agreed to have the dispen
sary. (Vide sl 3 in Reference
File A) This Municipality
and the D.F. Bd, Kolar ought
should bear the charges in
the proportion of 1/3rd and 2/3rds
respectively and they ~~should~~ may
be asked to make provision
on this account in their
budgets. If necessary the D.C. Kolar
may be asked to place the matter before the District Fund
Board & submit the resolution pointing out the sources in
the Current years D.F. and Municipal Budgets from which the charges could be met

8. Mrs. J Lazarus is a Native
Christian. From her petition
it appears that she has passed
the Hospital Assistants' Test
that she has rendered service
to the extent of the period
covenanted for by her, that,
from the testimonials produced
by her it appears, she has
rendered approved service,
and that she is at liberty
to resign her present service.
But the 2nd Council
desires to have an Official
report
should not all the in
formation (whether the Kolar
Municipality is willing to
let Mrs J Lazarus to resign
their services, whether she has
rendered approved service
and whether she is willing to
forego her past services in
case she is employed in ~~their~~
Mysore service) wanted, be
obtained through the appli-
cant herself. I do not think
that a communication to
the Residency is necessary

The enquiry ordered above was made in this Office docket No 125 mis 15 dated the 2nd July, 1903. In reply the Senior Surgeon states that, as provision in the Medical Budget has been made to meet the actual requirements of the several items, it is neither feasible to suggest any reduction under sanctioned items, nor

nor possible to make any reappropriation at the beginning of the year, and that the Female Hospital Apptt required for the Female Dispy: at Chikaballapur should be sanctioned in addition to the permanent strength. As to the replacement of a male Hospital Apptt not in independent charge by a Female Hospital Apptt on the occurrence of a vacancy, the Offg: Senior Surgeon states that it is not practicable to carry out the suggestion, "as the males are already all too few", and adds that it would be very desirable for Govt to train one Female Hospital Apptt yearly for service in Mysore.

Sir,

In forwarding herewith the marginally noted papers for information and obliging return when done with, I have the honor to request the favour of early sanction of Government to the entertainment as 2nd Class Hospital Assistant on Rs.40/- per mensem plus Rs.10/- when in charge of a Female Dispensary, of one Mrs.J.Lazarus a qualified female Hospital Assistant now employed in the Municipality of Mangalore on Rs.50 plus 10.

2. Great inconvenience is felt for want of female Hospital Assistants and when reference was made to Government in this office letter No.2771 dated 8th June 1896, they have been pleased to sanction 3 Female Hospital Assistants in their order No.1422-3/Mis.210 dated 27th July 96, but their entertainment was postponed because the Female Hospital Assistants were not available at the time.

4. The question of establishment of another Female Dispensary at Tarekere as represented by the President of the Municipal and Local Fund Boards Kadur Circle in his No.1110 dated 30th January 1902 (with enclosures herewith submitted) may be favourably considered when the services of another female Hospital Assistant are procured.

a petition from some of
the female residents of
the Sarikeri Taluk praying
for the Establishment
of a Female Dispensary
there

In reply, has the honor
to state that at the
Municipal meeting
held at Sarikere on the
15th December 01 the Board

unanimously resolved that as the want of
Female Dispensary has been very keenly
felt by the large female population of Tarikere
Government be addressed to kindly sanction
the Establishment of a Female Dispensary
there Requests therefore that Government
be moved to sanction the Establishment
of a Female Dispensary in the old dispensary
building about to be Vacated.

Provision will be made in the Municipal

REG'D. NO. 2859/R
DATE 21-6-1901

2859/1

To,

Her Highness
Maharani Mother
Crown of India
&
Regent of Mysore

The humble memorial of the Female Population of Tari-kere Town & Taluk

Respectfully Sheweth:

— That a want for a female dispensary for this place has long been felt. That want was experienced the more when recently Cholera broke out in this place. The dire disease made its inroad upon the whole Taluk. And in most cases for sure reasons of feminine bashfulness and modesty the occurrence did not come to light and many a poor female became the victim. Your Highness, who know every note of our native female life and illustrate us to follow the same by your Highness' own mode of Hindu life, need not be approached with our explanation and address, that as a rule we native women are shy. and what an ordeal it is for us to confess our internal disorders to a male professional. It is far better for us to keep to our modesty and suffer rather than to purchase relief

by inflicting a shock upon our natural feelings. Our helplessness was only very recently expressed and felt by Your Highness. While, in commemorating Her Exalted Excellency Lady Curzon's visit to our Sarto, Your Highness was pleased to establish one more Hospital for the benefit of our fortunate Sisters and added another number to the Immortalized-Lady-Dufferin Institutes. The Fountain of Mercy & Sympathy viz: Our late lamented Queen Mother, Victoria R & I. also, through that Ever-Queriously named lady of the Dufferin began to realize with greater force the needs and claims of the Daughters of India upon Every Civilized Woman; and supported and patronized establishment of a Female Medical Department. That-Department to which Your Highness duly subscribed Your Quota. While Your Highness has done so much, we are emboldened to hope that even much more Your Highness will do for so many of us placed under Your royal charge & care. Hence our present Appeal

The last Census returns will show Your Highness that we females. Your humble memorialists number in this Taluk 38,895 and most of us are illiterate and do

not rightly Comprehend What a Hospital is - much less can, we freely & fully explain or express our Complaints to a member of the opposite Sex. The Establishment of a female dispensary at the Head Quarters of this Taluk will be a boon that will be another item to the good deeds you have done - for which the Ever Seeing - Being will reward You and Yours.

Our cry is not based on the grounds of want of suitable medical help and advice - for the matter of that the present Hospital Staff at Tarikere is very attentive and obliging. But for want of a Female Professional our prayer would have not been submitted to Your Highness

Even at centres having smaller populations and areas such dispensaries are established - these centres, beyond being the Head Quarters of a District do not Come to a Comparison with Tarikere in point of population and also in point of patients treated. Your Highness may be pleased, at least, to direct a test dispensary to be opened for a time and at the working & result justify grant of our prayer it may be taken into Consideration & then Confirmed

For which Act of Grace and

Regal Help we shall, as in duty
bound, pray for Your Highness & Your
Young Royal Couple's Health, Wealth
Prosperity & Long Rule & Life

And subscribe, Your Highness
Most humble, Obedient & Grateful
Daughters

Tarikere.

Sir,

With reference to docket No. 125 Mis. 15 dated 2nd July 1903 re the establishment of a Female dispensary at Chickballapur, I have the honor to report, that as provision in the Medical Budget has been made to meet the actual requirements of the several items,it is neither feasible to suggest any reduction under sanc-tioned items nor possible to make any reappropriation at this early stage,and to state that the opening of a Female dispensary at Chickballapur would involve an addition to the permanent strength and as such the strength should naturally increase.

As to filling a vacancy which in the natural course of events may occur in the male ranks of the service,by a female, as the males are already all too few,it is not practicable to carry out the suggestions. In this connection I may add that it

would

would be very desirable for Government to train one female Hospital Assistant yearly for service in Mysore.
